ESCV Workshop on Nosocomial Viral Infections

03–05 April 2019, Freiburg, Germany

The workshop is organised by ESCV and aims to give an update on different aspects of nosocomial infections (norovirus, influenza virus, MERS-CoV, viral haemorrhagic fever viruses). It will provide an overview of novel diagnostic tools including NGS and syndromic testing approaches. It will also address the challenges, which are associated with the current upsurge of measles cases in many European countries.

Application deadline: **28 February, 2019**

29th European Congress of Clinical Microbiology & Infectious Diseases

13–16 April 2019, Amsterdam, The Netherlands ECCMID brings together experts from many fields in Clinical Microbiology & Infectious Diseases to present their latest findings, guidelines and experiences to an audience of over 12,000 colleagues.

Registration Deadline: **06 March 2019**

Managing a Bioinformatics Core Facility

04–06 June 2019, EMBL-EBI, Cambridge, United Kingdom

This course is aimed at aspiring, new and experienced managers of bioinformatics core facilities, or other facilities that support their users to analyse and interpret large biomolecular data sets.

Application deadline: **08 March 2019**
